## Description

Exploration Low is a S3 SRC protection class safety boot recognized for its comfort and durability. The details make the boot, from the abrasion resistant direct injected PU + Rubber sole to the flexible and light perforation-resistant Steel midsole, a safety boot has never felt so sturdy.

Foot health and comfort are ensured by the Black Full Grain Leather upper, a Aquatex Waterproof Membrane, and a steel toe cap (impact-resistant to 200 J).

Safety boot available from size 39 to 48, Exploration Low is the ideal boot for logistics, transport, electronic services, and outdoor activities.
