Range New Eco Bulldozer

Reference 1625.00

EU Regulation EN ISO 20345:2011 CE

Protection Class S3 SRC CI

Sizes 36-47 (UK: 3 - 12)

Description

Icelandicc is an S3 SRC CI protection class safety boot recognized for its superb comfort and durability. Boot developed with a Stabilizer PU System located on the sole that adds durability and flexibility where it needs, a tightening system with two zips on the sides for an easy release, and a lacing system for perfect adjustment.

Foot health and comfort are ensured by the Natural Lambskin lining making it resistant to -30°C , and the Clima Cork System on the sole that uses a layer of natural cork to improve thermal insulation.

Safety boots available from size 36 to 47, Icelandic is ideal for cold industry activities, mining, offshore, and cold stores.
